

**RESOLUTION: Search for a Candidate to apply for the Juan de la Cierva  
Postdoctoral Fellowship in Paleolithic Archaeology at CENIEH**

**(Ref: JdIC-24-PALEOL. ARQUEO.)**

There is one candidate selected by the CENIEH to submit the application for candidate to apply to the Juan de la Cierva postdoctoral fellowship of the *Ministerio de Ciencia, Innovación y Universidades* (Spain). The successful Juan de la Cierva postdoctoral fellow will join our research team and contribute to innovative projects in Paleolithic Archaeology. Our research program is at the forefront of investigating early hominid behavior and cognition, the evolution of stone tool technologies, and the interactions between prehistoric humans and their environments.

Burgos,
